AWARD SUNDAYS

10/21/18
12/02/18
03/03/19
05/05/19

Faithful Devotion Definition:

We would love every child to do devotions each day, however we know that may not be possible. Our goal is faithfulness and building a habit into their lives of wanting to spend time with God. The requirement will be 5 out of 7 days each week during club year (includes weeks there off).

Each level completed will receive a certificate. At the end of year, whatever level the child completed will be the medal they receive for the year.
